I was lucky enough to get to be the guest a podcast with Jared M. Spool of www.uie.com and [Robert Hoekman](#), author of Designing the Obvious and [Designing the Moment](#). Userability is all about the world of design for the web, and Jared and Robert are experts in that field. Given that I've developed a strong passion for web design and usability, I put the question to them: [How would I make the career jump towards design?](#) Listen and find out why I now want to be an interaction designer.
