I was lucky enough to get to be the guest a podcast with Jared M. Spool of <a href="www.uie.com">www.uie.com</a> and <a href="www.uie.com">Robert Hoekman</a>, author of Designing the Obvious and <a href="Designing the Moment">Designing the Moment</a>. Userability is all about the world of design for the web, and Jared and Robert are experts in that field. Given that I've developed a strong passion for web design and usability, I put the question to them: <a href="https://doi.org/10.1007/journal.org/">How would I make the career jump towards design? Listen and find out why I now want to be an interaction</a>
