I got to attend [StartupBus](#) for the first time this year and had a blast. Not only did my team (who founded [BumperCrop](#)) take home Runner Up against over 50 teams from the United States and Mexico, I made connections with people that I hope will be good friends for the rest of my life. I strongly recommend this experience to designers, developers, and business people of all stripes. Go to [StartupBus](#) to learn more and sign up.
